

STUDIO NEWS AND NOTES

Another year has arrived here at Tymarc.

2009 was great. I travelled to Italy which I truly enjoyed. I have wanted to see the art by the Masters all my life. It really is different when you see it in person. There was just so much that inspired me. I have lots of ideas to work on.

I want to thank all the people that purchased bronzes and paintings from me. I hope you are enjoying them in your homes and offices.

In 2010 I plan to do a lot more painting. I have some on the go right now and some are brewing on the back burner. At this time I will only be selling originals. Possibly down the road I might look at reproductions depending on demand.

I have a couple sculpture projects that I will be working on as well. One that I will be starting soon is a life size foal. I am looking forward to that.

SHOWS for 2010

My shows so far include THE MANE EVENT IN RED DEER in APRIL and SPRUCE MEADOWS EQUIFAIR in SEPT.

I am looking at a few others that will be listed here as soon as I know.
